for books on the  
"Parent Resource" wall.

Parent Cue

Despite what others may think around us, we know we're not perfect. Just ask our kids—especially if they're teenagers. So if we're not perfect parents, then why do we expect our kids to be perfect?

[READ MORE](#)

Parent Cue

When it comes to your words, are you reacting in the moment and saying the first thing that pops into your head, or are you choosing words that are helpful and healing? Intentional parents understand that words are powerful, and that their choice of words can either build confidence in their children or destroy their hope. [READ MORE](#)
