Have You Noticed

Everywhere you look in our Children & Youth Ministry area you see our theme for this year.

With the help of our Sunday school curriculum and supplemental material for leaders and families we are trying very hard to become intentional about understanding and leveraging what is actually happening in the stages of a kid's life.

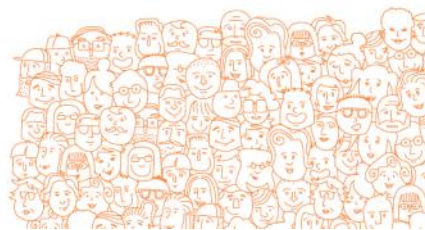

This helps how we...

- Partner with families at pivotal transitions
- Teach Sunday school lessons from preschool through high school
- Train leaders to work with specific age groups
- Improve dialogue and cooperation between ministries
- Resource parents to interact with kids in the home

We don't want our kids to grow up and miss experiencing God's unconditional love and forgiveness.

Parenting Through The Phases IGNITE Class, led by Linden Tully

Your kid is changing every week! Just as you begin to figure them out, they shift or move on to a new rhythm, a new habit, and a new opinion. It can make the responsibility to shape a child's faith and character feel overwhelming. But it doesn't have to. Check out the new Parenting Through the Phases Small Group Study launching at 6:30 on Wednesday, Oct. 3 in the Youth Room.
